

# CALL FOR PROPOSALS

PROGRAM OF RESEARCH AND EVALUATION FOR PUBLIC SCHOOLS

Would you like to present at a state-wide conference? If you or your team are interested, then the **2022 PREPS Conference** is just for you!

We are looking for live and recorded presentations. Last year, we had over 500 teachers and administrators participate. This is a FREE conference for PREPS districts and schools only. It has become a premier opportunity for teachers across Mississippi to earn CEU credits.

Presentations should be relevant and include best practices that focus on one or more of the following areas:

- **Engaging Instruction for Elementary Students** - Keeping students engaged in their work through high-quality instruction using high-quality tools and materials for powerful literacy and mathematics lessons. Tips for family engagement and community resources would also be welcomed.
- **Engaging Instruction for Middle/High School Students** - Keeping students engaged in their work through high-quality instruction using high-quality tools and materials for Subject Area teaching. Tips for advising students and helping them to be college and career ready would also be welcomed.
- **The Arts** - (Music, Art, Drama) Keeping students engaged in their work through high-quality instruction using high-quality tools and materials for the Arts. Tips and ideas to help students with diverse learning needs through the Arts would also be welcomed.
- **Support Systems** (Counselors, Directors, Instructional Coaches) - Providing students and teachers with what they need to overcome challenges and strategies for both instructional and emotional support. Technology tips and sharing the available resources would be helpful for this strand.
- **Leadership** - Setting high expectations and using the data available to take action steps needed to lead schools during these challenging times.

If you are interested, please submit your proposal to [admin@mspreps.org](mailto:admin@mspreps.org).
